BUTTON #7 Institutional Assessment and Improvement Planning 3 MODULES	Monograph: Institutional Assessment and Improvement Planning/Implementation Standards of Accreditation	Your school seems to be rolling along nicely - enrollments are up, faculty turnover is down, and you haven't missed an ACCSC benchmark in years. Yet, you wonder: Are you meeting employer needs? Are you remaining current in the industries that your students find employment? Is the faculty keeping up with the way modern learners learn? Is the school operating as efficiently as it could?	1. Value of Institutional Assessment and Improvement Planning	1a. Explain the objective of an institutional assessment.				
				1b. Identify what areas ACCSC requires accredited schools to demonstrate improvement, goal setting, and benchmarking.				
				Objective Placeholder				
			2. Preparing for Institutional Assessment	2a. Define the components of an institutional assessment.

LET'S GO ON A TREASURE HUNT

Resource Treasure Hunt

- Three minutes to list as many existing compliance resources as you can (within your organization).
- Five minutes to share with your team.
- One person from your team to stand and share resources.
- If your resource is named, cross it off.
- Last person standing ... wins for team!
