- Investigation Report
  - Written or oral?
  - What is contained in the report?
  - Who gets to see the report?
  - Tracking data from investigation reports
    - Types of infractions
    - Discipline
    - Process improvements
  - Closing the loop with the reporter
  - Record retention
Good Documentation is Key

- Document the following throughout the investigation process:
  - The issue
  - The information provided by the reporter
  - The reporter's motivations/expectations for reporting the issue; and
  - The person(s) assigned to investigate the issue (confirming the person(s) impartiality and fairness)
  - Identify and obtain documents concerning the issue
    - List/catalog all pertinent documents
    - Basis for conducting interviews
    - Retain to support investigation report
  - Interviews with subject matter experts
  - Interviews with witnesses
  - Interviews with implicated persons

Reporting the Investigation

- Notes:
  - Take notes of meetings, interviews, phone conversations, etc.
  - Use of Audio or video recording devices should be done with caution and in rare circumstances. If used, do obtain written permission of interviewees!

- Notes should:
  - Include only the relevant facts
  - Be succinct and objective
  - Consist of factual accounts of interactions
  - Include your observations of behavior
Analysis – Work Papers

- Include a description of how the facts collected were analyzed
- Use facts, not assumptions of intent
- Consider circumstances
- Use timelines
- Reference your company’s Code of Conduct, Policies and Procedures, when appropriate, as opposed to citing laws or external regulations

**Investigation Summary:**

Briefly describe the actions taking in conducting the investigation.

Please list the name(s) of the individual(s) who were involved in the investigation. If an outside source was involved, please note.

### SAMPLE INVESTIGATION REPORT TEMPLATE

- **Who was Interviewed(s):**

  Describe who was interviewed during the investigation include full name and title along with date of interview.

- **If matter involves/reports alleged issues with an employee, has employee been named in prior reports over the past year?**

  Y/N

  N/A

  If yes, please provide summarize prior incidents noting if matter reports same issue with employee.

- **This investigation was conducted to answer the following:**

- **Summarize the Investigation:**

- **Conclusion:**

---

---
### Summarize Findings

- Document conclusions in a concise, objective, and neutral style
- Stick to the facts
  - Reporter and witness accounts
  - Documented evidence
  - Investigator findings and observations
  - Consider using timelines
  - Corrective actions taken, if any
- Do **not** include any content from conversations with or written communications from legal counsel

### Summarize Findings

- Avoid personal opinions
- Avoid drawing legal conclusions
- Present what happened and only what happened.
Continuous Improvement to the Culture

- Process improvements
  - Identify any systems or lack thereof that failed to prevent the misconduct
  - Expose any loop holes that were exploited
    - "Where there is a will there is a way"
  - Identify the need for additional internal controls
  - Communicate any Breakdown in "Corporate Culture"
  - Management's Role (could have, should have known)
  - Improvements to the Compliance and Ethics Program/Culture

- Ownership of the corrective actions
  - Design, Training, Implementation & Verification

Final Investigation File

The Final Investigation File constitutes the company record:

- Written communication from the reporter raising the issue(s)
- Your documentation of the issue(s) reported
- Investigation Summary
- Analysis and Conclusion
- Resolution – Corrective and Disciplinary Actions
- Notes and Support Documentation as necessary to support key facts, analysis, conclusions, or resolutions.
Final Investigation File

- Only final copies of documents should be placed in the Final Investigation File.
- Consider destroying any draft materials.
- All other files and notes should be destroyed (including information stored on computers and disks).
- Access to the file should be limited to only those with a legitimate business need-to-know.
- Take care when releasing information in the Final Investigation File to anyone outside the Company.
- Keep investigation files in accordance with your company’s Record Retention Requirements.
  - Destroy investigation files as you would any critically sensitive documents.

Close the Loop with Stakeholders

- Validate remedial actions
  - Disciplinary Actions
  - Training and Education
  - Changes in Policy & Procedures
  - Other communications
- Prevent further misconduct
- Disclosure to internal parties
- Disclosure to external parties
- Debrief the reporter
- Share “lessons learned”
Final Thoughts

A well conducted and documented investigation process:

- Mitigates risk
- Is viewed favorably by stakeholders
- Builds trust and credibility for the E&C Organization
- Avoids unnecessary costs to the company – Adds Value
