This investigation was conducted to answer the following:

Summarize the Investigation:

Conclusion:
**Summarize Findings**

- Document conclusions in a concise, objective, and neutral style
- Stick to the facts
  - Reporter and witness accounts
  - Documented evidence
  - Investigator findings and observations
  - Consider using timelines
  - Corrective actions taken, if any
- Do not include any content from conversations with or written communications from legal counsel

---

**Summarize Findings**

- Avoid personal opinions
- Avoid drawing legal conclusions
- Present what happened and only what happened.
Continuous Improvement to the Culture

• Process improvements
  – Identify any systems or lack thereof that failed to prevent the misconduct
  – Expose any loop holes that were exploited
    • “Where there is a will there is a way”
  – Identify the need for additional internal controls
  – Communicate any Breakdown in “Corporate Culture”
  – Management’s Role (could have, should have known)
  – Improvements to the Compliance and Ethics Program/Culture

• Ownership of the corrective actions
  – Design, Training, Implementation & Verification

Final Investigation File

The Final Investigation File constitutes the company record:

• Written communication from the reporter raising the issue(s)
• Your documentation of the issue(s) reported
• Investigation Summary
• Analysis and Conclusion
• Resolution – Corrective and Disciplinary Actions
• Notes and Support Documentation as necessary to support key facts, analysis, conclusions, or resolutions.
Final Investigation File

- Only final copies of documents should be placed in the Final Investigation File.
- Consider destroying any draft materials.
- All other files and notes should be destroyed (including information stored on computers and disks).
- Access to the file should be limited to only those with a legitimate business need-to-know.
- Take care when releasing information in the Final Investigation File to anyone outside the Company.
- Keep investigation files in accordance with your company's Record Retention Requirements.
  - Destroy investigation files as you would any critically sensitive documents.

Close the Loop with Stakeholders

- Validate remedial actions
  - Disciplinary Actions
  - Training and Education
  - Changes in Policy & Procedures
  - Other communications
- Prevent further misconduct
- Disclosure to internal parties
- Disclosure to external parties
- Debrief the reporter
- Share "lessons learned"
Final Thoughts

A well conducted and documented investigation process:

- Mitigates risk
- Is viewed favorably by stakeholders
- Builds trust and credibility for the E&C Organization
- Avoids unnecessary costs to the company – Adds Value

Questions, Comments, Concerns?
