

SCCE's 18th Annual Compliance & Ethics Institute

September 15-18, 2019

CLE Approvals By State

The SCCE submitted sessions deemed eligible for general CLE credits to most states with CLE requirements and processes for sponsors; exceptions are noted below. Legal ethics CLEs were not submitted for any sessions. CLE credits are awarded based on individual attendance records and state CLE rules. **Please note that approvals will vary as each state may have different CLE requirements, rules, and regulations:**

- ⚡ **Not every state calculates CLE credits based on the clock hour.**
- ⚡ **Not every state will grant CLE credits for each session submitted by the SCCE.**
- ⚡ **Not every state will grant CLE credits for sessions where written materials are not provided to attendees.**

See the following page for a session-by-session breakdown of state CLE approvals.
