Definition and Basics

GRC as defined by Analysts

"Well-developed GRC programs do more than mitigate risk; they help maximize company performance, providing a holistic view of corporate risk with further insight into areas of under- and overexposure."

Maximize Business Performance With A World-Class GRC Program, 2014

"GRC should be approached as an enterprise-wide initiative that aims at improving governance through better understanding of the impact of risk on business performance and through more-effective compliance."

Governance, Risk and Compliance, May 2015

"A capability and a culture that enables an organization to reliably achieve objectives while addressing uncertainty and acting with integrity."
