Business impact

Please consider the following:

1. Where are we vulnerable to going too fast and not stopping to give ourselves time to think clearly?
2. Does our local working culture allow us to take the time to slow down when appropriate? If not how are we going to change this?
3. How are we at managing mixed or differing opinions? Do we slow down and engage our analytical thinking or do we stop thinking and jump to a conclusion/argument?
Leader Led Discussions - Benefits

Advantages for managers:
