Virtual Conference

Due to the Coronavirus outbreak, SCCE has converted the Tampa Regional Compliance and Ethics Conference to a virtual conference.

How does a virtual event work?

On April 24 login using the link provided in your confirmation email during the scheduled session times to watch and listen to the speakers and ask questions live (just like you would onsite).

NOTE: Only registered attendees are eligible to request CEUs for participation. Attendees must participate in the virtual conference using the online virtual conference format (not just using the dial in) for attendance monitoring purposes.

CONTINUING EDUCATION: SCCE is in the process of applying for additional external continuing education units (CEUs). Should overall number of education hours decrease or increase, the maximum number of CEUs available will be changed accordingly. Credits are assessed based on actual attendance and credit type requested.

Approval quantities and types vary by state or certifying body. For entities that have granted prior approval for this event, credits will be awarded in accordance with their requirements. CEU totals are subject to change.

Upon request, if there is sufficient time and we are able to meet their requirements, SCCE may submit this course to additional states or entities for consideration. Only requests from registered attendees will be considered. If you would like to make a request, please contact us at +1 952.933.4977 or 888.277.4977 or email ccb@compliancecertification.org. To see the most up-to-date CEU information go to SCCE's website, corporatecompliance.org/all-conferences. Select your conference, and then select the "Continuing Education" option on the left hand menu.

COMPLIANCE CERTIFICATION BOARD (CCB)®: CCB has awarded a maximum of 7.2 CEUs for these certifications: Certified in Healthcare Compliance (CHC)®, Certified in Healthcare Compliance—Fellow (CHC-F)®, Certified in Healthcare Privacy Compliance (CHPC®), Certified in Healthcare Research Compliance (CHRC)®, Certified Compliance & Ethics Professional (CCEP)®, Certified Compliance & Ethics Professional—Fellow (CCEP-F)®, Certified Compliance & Ethics Professional—International (CCEP-I)®.

CONTINUING LEGAL EDUCATION (CLE): The Society of Corporate Compliance and Ethics is a provider/sponsor, approved/accredited by the State Bar of California and the State Bar of Texas. An approximate maximum of 4.0 clock hours of CLE credit for qualifying sessions will be available to attendees of this conference licensed in these states. Upon request, if there is sufficient time and if we are able to meet their CLE requirements, SCCE may submit conferences with qualifying sessions to state CLE authorities for consideration. This includes meeting state requirements for sessions being offered virtually or via telecast. Only requests from registered attendees will be considered. All CLE credits will be assessed based on actual attendance and in accordance with each state's requirements.

ACKNOWLEDGMENTS: By submitting this registration, you agree to the full Terms and Conditions, including the use of your information, viewable at corporatecompliance.org/regionals.

Your information (postal address) may be shared with conference exhibitors, attendees, speakers, affiliates, and partners for marketing and/or networking purposes. To see the full use or if you wish to opt-out, visit corporatecompliance.org/privacy.

Virtual sessions will be recorded. By participating in an SCCE conference, you grant SCCE, or anyone authorized by SCCE, the right to use or publish in print or electronic medium any photograph or video containing your image or likeness for educational, news, or promotional purposes without compensation.

This virtual conference is only for the registered attendee and does not allow for more than one person on each dial in. If a second person would like to join they must fill a second registration form out. Only registered attendees are eligible to request CEUs for participation.

Group discounts are not applicable to virtual events.
