Applying the COSO ERM Framework to Compliance Risk Management

Conference Dates: December 18, 2020 or January 21, 2021

SCCE & HCCA partnered with Committee of Sponsoring Organizations of the Treadway Commission (COSO) to create a guidance on the application of COSO's Enterprise Risk Management framework to the management of compliance risk. Published in November 2020, the guidance is based on current practices and expectations for effective compliance and ethics programs.

To assist in understanding and applying the guidance found in the publication, SCCE & HCCA has developed a one-day virtual conference.
