Your Trusted Compliance & Ethics Resource

This 2020 Resource Guide is a comprehensive listing of educational opportunities, products, and other solutions provided by the Society of Corporate Compliance and Ethics (SCCE). Use it to explore ways to improve compliance and ethics at your organization and to cultivate your compliance career.

**Educational Opportunities**
We offer 45+ educational conferences a year, including weekly webinars, one-day regionals, global conferences, and classroom-style academies. These opportunities provide a forum for networking, career growth, and compliance program development.

**Continuing Education**
Continue to develop your career by earning continuing education units (CEUs) at our educational events. CEUs are also available through quizzes in our publications, by presenting a session or web conference, and through becoming a guest writer or blogger.

**Publications and Online Resources**
Stay up-to-date on the latest compliance practices and news. Improve your compliance and ethics program with our collection of training materials. Our publications and resources are available in print and a growing offering online.

**About SCCE**
SCCE is a non-profit, member-based association for compliance and ethics professionals. Since 2004, we have been championing ethical practices and compliance standards to promote lasting success and integrity of organizations worldwide and across all industries. Headquartered in Minneapolis, MN, SCCE serves 7,600+ members in 100+ countries around the globe.

The Complete Compliance and Ethics Manual

Your go-to compliance and ethics resource is now available in both print and digital formats. Whether you are in the office or on-the-go, there are no limits to when and where you can access compliance and ethics information with our new online COSMOS content platform. We’ve updated and enhanced the 2019 manual in 29 key areas, including:

- Workplace harassment
- Anti-corruption laws in Latin America
- DOJ guidance for program evaluation
- US government contracting
- Human trafficking

The Accidental Compliance Professional

By Roy J. Snell

What does 23 years in the compliance and ethics industry teach you? In The Accidental Compliance Professional: Lessons Learned from 23 Years in the Industry, author Roy J. Snell tells his personal and compliance war stories, and how they can help any compliance professional succeed. You’ll learn about:

- How the Health Care Compliance Association and the Society of Corporate Compliance and Ethics formed
- The emotional intelligence and interpersonal skills compliance professionals need
- Tools to fully attack and fix a compliance problem
- Why being delightfully honest and independent are critical to compliance

corporatecompliance.org/products
Become a better investigator

Internal investigations can make even the most experienced compliance professionals a little nervous.

Get the expert help you need from SCCE’s Investigations book series by Meric Bloch.
Compliance 101, Second Edition

By Debbie Troklus and Sheryl Vacca

Compliance 101 offers guidance and tips on how to build an effective program that meets federal standards. Its coverage includes:

- The importance of compliance and ethics
- The seven essential elements of a compliance program
- Organizational steps for an effective program
- Tips for tailoring your compliance plan
- Sample compliance materials

This book is ideal for compliance professionals new to the field, compliance committee members, board members, and others who need a foundation in compliance principles.

International Compliance 101, Second Edition

By Debbie Troklus, Sheryl Vacca, and Louis Perold

International Compliance 101 is an essential guide for organizations that conduct business globally. In the second edition, readers will find more coverage highlighting the range of governing bodies and risk areas that have impact in different regions of the world. This book is intended for those new to the field as well as those newly tasked with international compliance and ethics duties.
Need supply chain compliance updates?

Let SCCE do the work for you

Though organizations may not want to admit it, every supply chain is susceptible to risk. Mitigate threats to your organization by staying informed.

Earn 1.0 non-live CCB continuing education unit (CEU) for reading each issue.

Creating Great Compliance Training in a Digital World

By Kirsten Liston

While it may sound harsh, nobody cares about compliance training. As a compliance professional, it’s your job to make employees care by creating compelling content. This book can help you to “sell compliance” to your workforce through proven strategies, tactics, and the five key principles behind great compliance training.

Ethics and Compliance on the Job

This anthology of articles from ethikos magazine brings together highly relevant and practical ideas, insights, and advice for today’s practitioners. Articles for this collection were selected to cover five key subject areas:

- Establishing/promoting an ethical & compliant culture
- Program implementation details
- Communicating ethics & compliance
- Ethics & compliance education & training
- Assessing & measuring program effectiveness
Issues of *ethikos* include in-depth articles, case studies, and interviews with recognized ethics and compliance professionals which examine ethical issues facing the business world.

Subscribe to this monthly newsletter for insight and guidance into real-life situations you may encounter every day, such as:

- Conflicts of interest with personal relationships
- Bribery risks around the world
- Understanding what is ethically right vs. legally right
- A functioning ‘speak up’ culture
Simplify Your Research
