

Society of Corporate Compliance & Ethics

Data Governance Conference

25–26 June, 2018 | London, UK

While GDPR provides a large mandate, it's far from the entire story. This conference, designed for legal and regulatory compliance professionals, examines a full range of compliance challenges associated with managing and securing data. Join us to gain a better understanding of the risks and best practices for proper compliance in data governance and to become a more skilled data steward.
