Moneyball, Spain, and the Profitability of Wellbeing

Scott Wham, Director of Compliance and Innovation, OneDigital

- On the heels of the most disruptive crisis in a century, employers are now weathering an unprecedented challenge: The Great Resignation. Over the past year, more people have quit their jobs than at any other point in recorded history. While it is easy to blame mass resignations on COVID-19, the data suggests more nuanced (and unsettling) variables driving employee disengagement. In an effort to mitigate exorbitant turnover costs, employers are looking for new strategies for attracting and retaining top talent and they're finding fertile ground in concepts related to employee wellbeing
- This presentation adopts the efficiency concepts from the book *Moneyball* (i.e. how poor baseball teams can efficiently compete against rich baseball teams) and explores how those concepts manifest in thriving cultures. We will take a look at Spain's meteoric rise to its top position as "World's Healthiest Country", and how employers can apply the lessons from *Moneyball* and Spain to build a thriving, ethical, and profitable culture centered on employee wellbeing

Can I take my exam remotely?

Yes, CCB offers the flexibility for candidates to take their exam remotely, at a local testing site, or following certain SCCE conferences. To learn more about our various testing options, visit SCCE's website, corporatecompliance.org/exam-information.
