Before the event starts, you will receive an access email with links to the virtual platform and additional information such as the presentations. The email goes out 1–3 days prior to the event start date and is sent to the primary email address on your account. Please be sure to check your spam folder.

What is included in the cost of my attendance?

What software is required to attend this event?

We use a variety of platforms based on the needs of each conference, but they are all web-based platforms and require a strong and stable internet connection. We highly recommend testing the platform once the access email is received to confirm you can access the platform, view the video player, and utilize the chat feature. Occasionally, those who access these digital platforms over a VPN can experience technical difficulties. Zoom will be utilized for small group discussions at applicable events, but downloading Zoom is not necessary, as they have a web-based version as well.

Can my co-workers listen in with me using screensharing or sitting together in the same room?

No, each individual who would like participate in the conference needs to complete and submit an individual registration form. We do offer group discounts; please see our group discount options below.

Will I receive a recording of this conference?

Recordings of this event will be available for purchase. Registered attendees have the option to purchase the recordings at a discounted rate. Please visit the event web page to access the recordings order form. No audio or video recording by attendees is allowed.

Yes, we offer discounts for groups of three or more from the same organization for all our live in-person and virtual events (excluding webinars). Please send all group registration forms together to helpteam@corporatecompliance.org for processing. A separate registration form is required for each registrant. The group discount is NOT available through online registration. Note that discounts will not be applied retroactively if more registrants are added at a later date, but new registrants will receive the group discount. Can I take my exam remotely?

Yes, CCB offers the flexibility for candidates to take their exam remotely, at a local testing site, or following certain SCCE conferences. To learn more about our various testing options, visit SCCE's website, corporatecompliance.org/exam-information.

I have more questions about exams and seeking certification; who can help me?
