Before the event starts, you will receive an access email with links to the virtual platform and additional information such as the presentations. The email goes out 1–3 days prior to the event start date and is sent to the primary email address on your account. Please be sure to check your spam folder.

What software is required to attend this event?

We use a variety of platforms based on the needs of each conference, but they are all web-based platforms and require a strong and stable internet connection. We highly recommend testing the platform once the access email is received to confirm you can access the platform, view the video player, and utilize the chat feature. Occasionally, those who access these digital platforms over a VPN can experience technical difficulties. Zoom will be utilized for small group discussions at applicable events, but downloading Zoom is not necessary, as they have a web-based version as well.

No, each individual who would like participate in the conference needs to complete and submit an individual registration form. We do offer group discounts; please see our group discount options below.
